

AUSTRALIAN STEEL INSTITUTE

2024 | AUSTRALIAN STEEL EXCELLENCE AWARDS

PRESENTED BY THE AUSTRALIAN STEEL INSTITUTE

SPONSORSHIP PROSPECTUS

YOUR INVITATION TO SPONSOR THE 2024 AUSTRALIAN STEEL EXCELLENCE AWARDS

The Australian Steel Institute Steel Excellence Awards are now in their 21st year. The excitement and reputation of the Awards continues to gain momentum—in 2022, the Awards saw an unprecedented number of entries.

In 2024, the State Steel Excellence Awards will again be delivered virtually, expanding the longevity and reach of the program, the visibility of the nominees and winners, and the promotion of the sponsors even further.

The presentations will be available for nominees and category winners to refer clients, providing an opportunity to showcase their work and add credibility through the ASI. Prize winner presentations will be available for purchase to promote their contribution to highly successful projects.

In 2024 the virtual State Excellence Awards will culminate in the National Steel Excellence Awards Dinner to take place in Sydney in November. As always, sponsorship and attendance of the live event will be hotly contested.

We invite you to be a part of this excitement as a sponsor for what is now highly regarded as 'our industry's premier sponsorship opportunity'.

This is a not-to-be-missed chance to get your organisation's name or brand 'up in lights' in front of architects, engineers, manufacturers, suppliers, fabricators, detailers, builders and guests. Sponsorship is also a great opportunity to show your dedication and support for the industry.

The style of the Awards event will be carefully crafted to maximise the value to sponsors based on the level of support achieved.

The Awards categorisation is crafted to embrace more of an outcomes-based project analysis. The purpose of this is to reflect the importance, flexibility and sustainability of steel as the primary building material and recognise the project team that brought the concept to reality.

To secure your involvement in the State Steel Excellence Awards program or take part in the National Awards presentation please complete and return the booking form included at the end of this Prospectus without delay to avoid disappointment.

We look forward to confirming your involvement,

Chief executive, ASI

2024

AUSTRALIAN STEEL EXCELLENCE AWARDS

PRESENTED BY THE AUSTRALIAN STEEL INSTITUTE

ABOUT THE AWARDS

The ASI's Steel Excellence Awards highlight the remarkable quality and innovation throughout the entire supply chain, showcasing the elegance and adaptability of Australian steel in design and construction.

ABOUT THE AWARDS

The 2024 Australian Steel Excellence Awards provide an outstanding opportunity to showcase your collaborations and achievements, recognise high standards, and promote excellence in the use of Australian steel in design.

WHO WE CELEBRATE

The ASI Steel Excellence Awards celebrate teams and individuals across the entire steel supply chain, including:

- ✓ Manufacturers
- ✓ Engineers
- ✓ Designers
- ✓ Builders
- ✓ Architects
- ✓ Fabricators
- ✓ Distributors
- ✓ Galvanizers

NATIONAL AWARDS GALA

State winners advance to the ASI's National Australian Steel Excellence Awards, presented at a Gala Dinner in Sydney in November.

HOW TO ENTER

Entries close on Friday 28 June 2024.
Entries must be submitted via the ASI portal:
<https://www.steel.org.au/asi-awards-portal/>

ENTER NOW
